

Zone 11 Timetable, with immediate effect (changes in *bold/italics*)

(updated 22.2.16)

Sessions will normally run from 3.15pm until 4.15pm unless otherwise communicated.

Students will receive, in advance, details of each session from subject areas; this will support them in planning their Zone 11 schedule, enabling them to attend as many sessions as possible. To have a week by week plan will ease any potential clashes although we recognise that on some occasions clashes are unavoidable.
